Merge subcategories	<input type="text" value="Yes"/> <small>▲ Merge all small subcategory lists into one column, except the left categories</small>	[STORE VIEW]

Block settings

2. Front end view of extension :

The image shows a screenshot of the EVINCE Magento Development website front end. The logo at the top left consists of three interlocking hexagons in orange, blue, and yellow, followed by the text "EVINCE" in large orange letters and "MAGENTO DEVELOPMENT" in smaller grey letters below it.

The navigation menu is located below the logo and includes the following items: "WOMEN" (with a dropdown arrow), "MEN", and "ACCESSORIES". A yellow callout box labeled "Menu Display in Two Columns" has a red arrow pointing to the menu items.

Below the navigation menu, there are two columns of menu items: "New Arrivals" and "Tops & Blouses" on the left; "Pants & Denim" and "Dresses & Skirts" on the right. A yellow callout box labeled "Static Block Content" has a red arrow pointing to a product image of a woman wearing a teal sleeveless dress.

At the bottom of the page, there is a large banner for "MEN" with the text "e runway in stylish rates and cauals" and a "SHOP MEN" button. To the right of the banner, there is a partial view of another banner with the text "AI", "FO", and "SH".
