

Evince Selfie Product Gallery

Selfie Product Gallery

GALLERY

We love to see how our customers wear and style their purchases - and we hope you do too. Feel free to submit your own photos to the Gallery - selfie or fancy styled shot - we would all love to see them!

UPLOAD PICS

The screenshot displays a gallery interface with a dark blue header containing the title 'GALLERY' and a paragraph of text. Below the text are two buttons: 'UPLOAD PICS' and 'GO'. Underneath the buttons are three product photos of men in various outfits: a blue blazer, a white blazer, and a black t-shirt with green pants. At the bottom of the screenshot, there are logos for 'EVINCE DEVELOPMENT' and 'Magento'.

Admin Configuration :

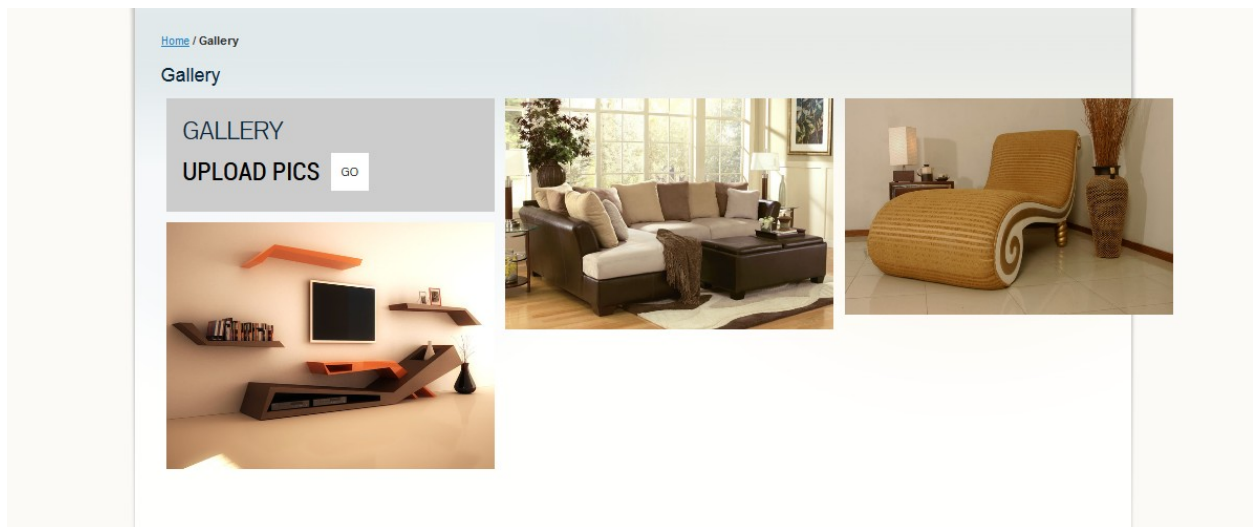

This extension is user for view photo gallery on front side. For extension configuration Go to **Admin > Configuration > Showgallery** and set **Use Breadcrumbs For Gallery Pages** yes.

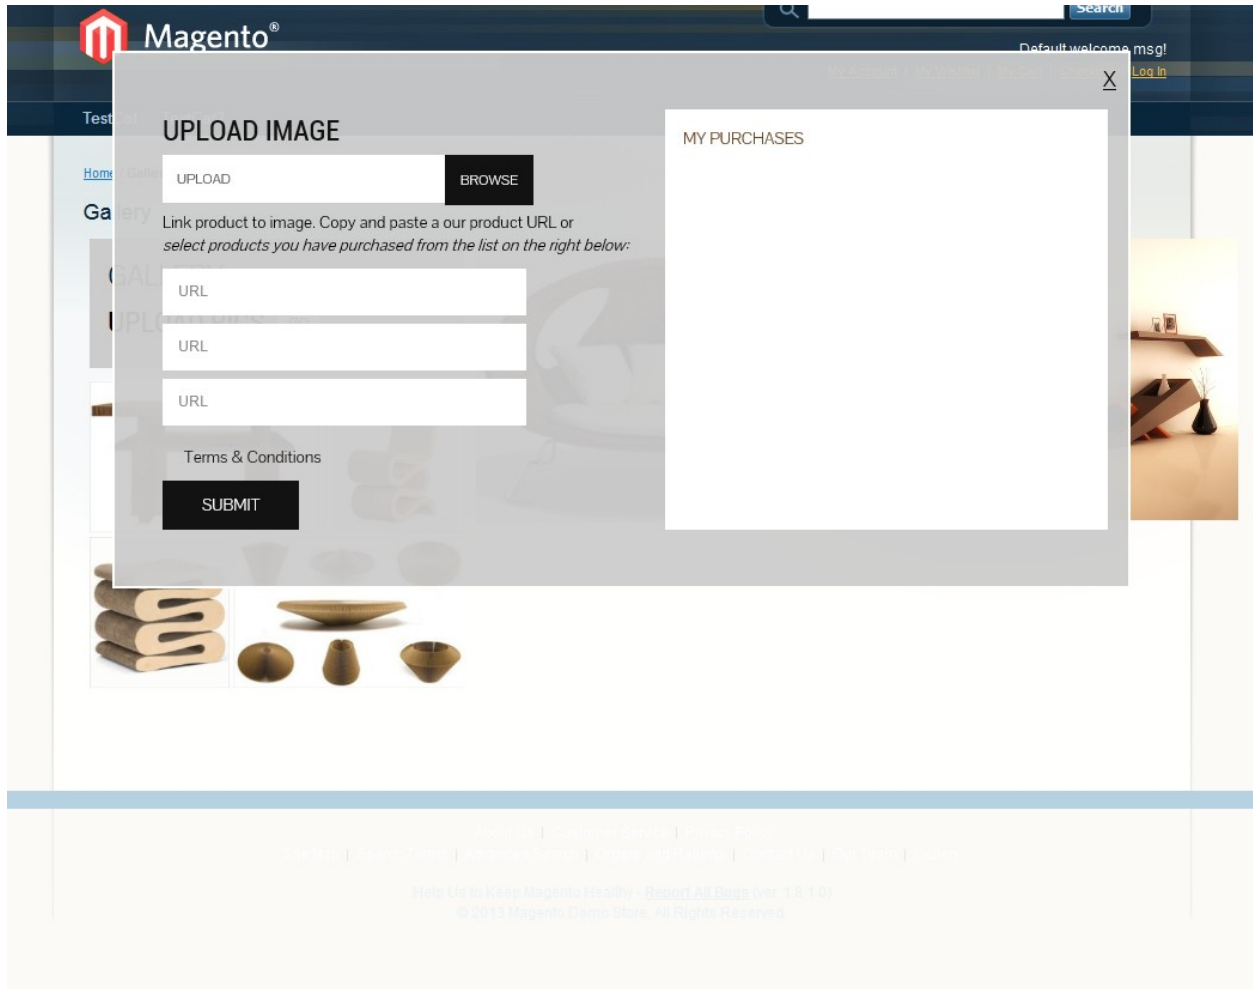

The screenshot shows the Magento Admin Panel interface. At the top, there is a navigation bar with the Magento logo and 'Admin Panel' text. Below this is a search bar and user information. The main navigation menu includes 'Dashboard', 'Sales', 'Catalog', 'Mobile', 'Customers', 'Promotions', 'Refer a Friend', 'Newsletter', 'CMS', 'Showgallery', 'Reports', 'System', and 'eTheme'. The 'System' menu item is highlighted. A message banner at the top indicates 'Latest Message: Learn How to Quickly Increase Sales on Your Site' and 'You have 1 critical, 5 major, 34 minor and 71 notice unread message(s)'. On the left, a sidebar shows 'Current Configuration Scope: Default Config' and a 'Configuration' menu with 'ETHEME' and 'GENERAL' sections. The main content area is titled 'Showgallery' and contains a 'Gallery' configuration section with a 'Use Breadcrumbs For Gallery Pages' dropdown menu set to 'Yes' and a '[STORE VIEW]' link. A 'Save Config' button is located at the top right of the configuration area.

Front Side

On front side you can view **Gallery** link on footer Click on that link and upload you photo and click on **submit**.

The screenshot shows the front-side 'Gallery' page. The breadcrumb trail is 'Home / Gallery'. Below the breadcrumb, there is a 'Gallery' heading and a 'GALLERY UPLOAD PICS GO' button. The page displays three images: a modern living room with a sofa and coffee table, a yellow armchair, and a modern TV stand with a television. The page is framed by a light blue header and a white footer.

For View uploaded image on front side Go to **Admin > Showgallery > Gallery** . Edit gallery for view on front side ,and set **Status** enable and set **Display order** fields. And click on **Save Gallery**.
